Polarity Studio Lava - Melodic Techno Hive 2 Presets: Polarity Studio's "Lava" draws inspiration from the prominent figures in 2023's melodic Techno scene, including Adriatique, Chris Avantgarde, Tale Of Us, Anyma, and more, making it an essential toolkit for Techno producers.

Included in the pack are:

- 50 Melodic Loops
- 50 MIDI files
- 50 presets tailored for U-he Hive 2

System Requirements:

- U-he Hive v2.1.1.rev.12092

This versatile package isn't limited to Techno; it also finds utility in other genres such as Deep House, Downtempo, Progressive House, Tech House, and more.

Elevate your music production with "Lava" and infuse your creations with cutting-edge sounds inspired by the leading names in melodic Techno from 2023.
