DRUMS

Low-fidelity, but the groovy drums make the listener move to the low-fidelity beat.

MELODIES

The melodies in these songs will transport you and your audience back in time with their nostalgic vibe. They're a great source of inspiration and ideas and will aid in the creation of your song. They're great to use as a beginning point, and as the primary concept for the song, you can also turn the idea into something completely new.

SOUND EFFECTS & FOLEY

Good beats are well-integrated with transitions. Bring some movement to your tracks by adding foleys, sweeps, transitions, or sound effects.

SPEED

We're tired of searching for the perfect lo-fi sample only to find anything decent... This is why we've created the sample packs! To create an easily accessible library of sounds that we can easily download and be inspired by.

The hats you receive included in the bundle are:

- Drums (460)
- Foleys (30)
- FXs (50)
- Melodic Content (270)
- BONUSES (150)
