Kids And Toys Icons And Titles for After Effects (VH 53551439) - AE Project:

Kids And Toys Icons And Titles is an After Effects template featuring a collection of animated icons with a children's toy theme. It includes animations such as a pony, boat, baby bottle, train, baby carriage, cubes, duck, and drums, all designed in a colorful gradient style. Each animation comes with a color controller and editable text, with the option to toggle text display via a checkbox. This template is ideal for children's videos, educational content, toy promotions, and playful presentations, adding a cute and vibrant visual appeal to your projects.

"Kids And Toys Icons And Titles" Sample:

The project features a 4K resolution output, offering full color controls and included font links. A video tutorial is provided to assist users, and it is compatible with After Effects 2021 and later versions.
