50 Vintage Vibes LUTs Pack - 281823306:

The **50 Vintage Vibes LUTs Pack** offers a collection of LUTs designed to quickly create cinematic film tones for both photos and videos.

These color-grading tools are crafted to deliver beautiful results across various types of images and footage.

Users can easily apply the LUTs with just a few clicks and further adjust settings like intensity and contrast to match their specific needs.

Compatible with both Mac and Windows, this pack includes 50 high-quality LUTs and presets, making it simple to professionally color-correct visuals.
