# Shopping Cart for After Effects (Videohive 46967800) - AE Project

2025-02-10 16:49:02　　label 我要反馈　　下载页面

**Shopping Cart for After Effects VH-46967800:** Shopping Cart is a fantastic template for displaying your brand's logo. The template features an animated, customizable scene in which a cart is filled with boxes. It is possible to easily alter the color scheme of the whole scene, change the logo display and alter the weather in your scene's background. This project is ideal for videos relating to the promotion of stores online, delivery services, or grocery shops, and it can be used for intros and much more.

- Resolution Full HD
- Text placeholders and logos
- Effects that can be switched
- Color controllers
- Link to the Font included
- Works with After Effects 2019 and above
