Specific instructions are provided. 2. 90s Vintage Pro Wrestling Text Styles Pack (Vol. 1) I prayed to wrestler gods to assist me in this situation. The 90s Pro Wrestling Text Styles Pack has 15 presets that instantly alter your logo or text. I designed these to look like authentic 90s pro wrestling t-shirts. Text Style Packs provide the quickest and most efficient way to play with your images or text. Simply move the ASL file onto your Photoshop icon, and you're set to use it. This product does not represent any WWE images of talent, logos, or other WWE intellectual property. Additionally, any utilization or use of WWE intellectual property with the download has to be licensed and authorized by WWE. 3. Acid Trip Text Styles Pack (Vol. 1) Get in the saddle and relax. Acid Trip Text Styles Pack (Vol. 1) is an initiative with the music and entertainment designer DBoy. The pack has psychedelic gradients, mind-bending patterns, and vivid textures. DBoy has designed illustrations for Nas A\$AP Ferg, Led Zeppelin, Michael Jackson, Eminem, and many others. 4. Bootleg Bling Text Styles Pack (Vol. 1) Then it's time to go for 1999 and 2000. Bootleg Bling Text Styles Pack (Vol. 1) comprises 15 exclusive designs designed to be inspired by Pen & Pixel era graphics. The pack contains diamonds, fire, and silver. Text Style Packs provide the quickest and most convenient way to experiment with your images or text. Simply move the ASL file onto Photoshop's Photoshop icon, and you're ready to use. 5. Bootleg Bling Text Styles Pack (Vol. 2) The Bling is back! Bootleg Bling Text Styles Pack (Vol. 2) features 21 unique styles inspired by contemporary and iced-out graphics. The pack contains multi-colored diamonds and gems as well as silver and gold. Text Style packs are the quickest and most efficient way to play with your graphics or text. Simply click the ASL file onto Photoshop's Photoshop icon, and you're ready to use. Look at this YouTube tutorial where I review my method for making these types of images. 6. Bootleg Rap Text Styles Pack (Vol. 1) Inspired by vintage rap shirts from the late 90s and 80s, I designed Bootleg Rap Text Styles Pack (Vol. 1). The pack includes 15 distinct styles, each of are based on authentic bootleg styles from the period. Text Style packs are the quickest and easiest method to play with your graphics or text. Simply move the ASL file onto your Photoshop icon, and you're ready to use. 7. Bootleg Rap Text Styles Pack (Vol. 2) Remix. I was contacted by so many people to make a follow-up of my top-selling Bootleg Rap Text Styles Pack (Vol. 1.) that I was forced to discontinue this pack. The pack includes 15 styles; each is based on a bootleg style that is authentic from the time. 8. Bootleg Shirt Creator (Vol. 1) An assortment of pre-made elements and images to create your next vintage bootleg-style design. Bootleg Shirt Creator Pack (Vol. 1) comprises 35 high-resolution image elements that you simply add and drag into Photoshop, along with brush kits that are easy to use. Mix and match various elements to create your distinctive designs. The categories in the pack include globes, clouds, lightning cityscapes, and space. In addition, I've already designed and included a Bootleg Bling Brush Set with ten different light flares. The icing on top really makes the different types of images. Instructions on installation and usage are included. 9. Champion Leisurewear Mockups Pack (Vol. 1) Pack of four high-resolution premium Champion mockups for leisure wear.
