The Vault has four incredible drum kits, with **nearly 1000 drum samples** and loops for percussion, as well as MIDI files. This is a must-have and shouldn't be left out!

carefully selected sounds

Each track has been meticulously created to allow you to spend less time tweaking knobs, and more time creating the perfect beat, which will mean that you'll be able to create more beats that you can send to musicians for big placements!

Broad Range Of Sounds

The Vault includes all Hip-Hop related genres, so you'll find the right music that matches your style This means that you don't have to go through hundreds of kits.

Simple Selection

Each one was specifically designed for each genre so that you needn't worry about the sound you choose and that means other people will be able to hear your improvements immediately and increase your confidence!
