- 1.
- 2.

The Podcast Audio Visualization Pack offers a range of features tailored for podcast creators.

With three different resolutions and 25 design audio visualizations, it provides flexibility and customization options.

### How to provide audio visualization for podcast design?

You can design your project from the "Podcast Audio Visualization Pack" in After Effects.

### Where can I download the product?

After subscription, You can download it for free from here.

The pack includes a video tutorial for easy setup, requires no plugins, and is compatible with After Effects CC 2017 or higher.

Simple customization allows for seamless integration into podcast visuals, and fonts are conveniently provided within the archive.

### Package information

The After Effects project files, last updated on March 9, 2021, are compatible with After Effects CC and offer resizable resolution options.
