Mechanics of Time (Videohive 43932173) - AE Project: You can create a historical timeline video or a documentary gallery slideshow using sophisticated retro-style and grunge!

Use it for sadness slideshows, sepia introductions, web marketing newspaper presentations, war or political memory journals, periodicals, magazines, newspaper demonstrations, retro home videos, or other old cinematic videos.

Additionally, you can use this project as an opening for a special event, corporate opener, and political slideshows. It also makes a great photo album, quick and straightforward promotion, essential slides, beautiful nostalgic or sad slideshows gallery openings for travel.

- Adobe After Effects CC software required
- 0:51 min default duration
- 19 media titles
- 100% After Effect / no plugins required / universal expressions
- The font used in the preview is not included in the file - however, you can find the link in the PDF file
