BALI Holiday - LUTs Pack for Video and Photo color-grading

The vast, sandy beaches with crystal-clear water, the wind in your hair, and salt on your body... Do you want to color-grade some videos from your favorite spot? This **Bali Holiday LUTs collection** can help you bring those vacation memories to your videos! 7 LUTs included in this pack create a distinctive look of a jungle with the tanned skin tone and dark greens and are best paired with green, brown, and white hues.

How to change the color of the images in Photoshop?

You can apply your desired color to your images using "BALI HOLIDAY – LUTs Pack (cube)".

Where can I download the product?

After subscription, You can download it for free from here.

Have fun color grading!

In most cases, you'll be able to obtain excellent results quickly. However, you'll be able to adjust the settings, increase or decrease intensity, change contrast, and so on. to match each video clip and photo.

If you enjoy these LUTs Pack, please do take time to share your thoughts or provide feedback! We would greatly appreciate your help and opinions.

The LUTs are available in .cube format and can be used with the majority of the editing and video programs including Final Cut, Premiere Pro, Photoshop, After Effects, DaVinci Resolve, Sony Vegas, and many more.

You'll get 7 .cube files as well as Instructions Text file
