

Bulkybook – 3 Display Bold Font

2025-02-10 16:48:02 [label 我要反馈](#) [下载页面](#)

BULKY BOOK includes 3. Display Font. Each font comes with a line thickness. There are three thicknesses available which are that they are thick on the bottom, thick in middle, and the thickest on the top. Each font is made of the same fundamentals, therefore the three fonts are able to be combined and match. With this font, your work is sure to stand out, and appear the perfect design. This font is ideal for themes that are classic and vintage. Ideal for branding, logos books, headlines, book titles posters as well as T-shirts, titles, stickers labels, social media, labels as well as lettering. The font is available and supported in a variety of applications and OS including Cricut, procreate, windows, macOS, and others.
