A first preset by photographer Shinpei Takagi, who's Popular for photos with the air of appearing at trendy abroad Magazines, has been born.

With this specific purpose, you can create a photograph with a feeling, When it's a regular picture or a job you have created.

I Would like to edit using a color such as Shinpei Takagi, however, I still believe there are lots of men and women who can not edit nicely.

This really can also be Suggested for wedding photographs, Fashion photographs, and travel photographs.

Please do it along with your photo.
