ARTIST PRESET PACK: VITWAI

2025-02-10 17:14:29　　label 我要反馈　　下载页面

The very best value-for-money preset package we have released up to now. The beautiful, hugely underrated photographer Vitaly Rubstov has decided to talk about his Presets with all the Visualgrams community. This package includes 17 presets, Each carefully designed to produce many different stunning results which could be Utilized on cityscapes, sunsets, night scenes, landscapes, and even portraits.

Take a Look at the before/after shots under -- you won't ever be disappointed!

Includes 17 presets, Lightroom Mobile compatibility & Complete Installation manual.

Notice: Presets Aren't necessarily one-click solutions. You might want to tweak fundamental alterations accordingly. This electronic Buy is the final purchase and can be in USD.
