Midnight Bound - Blackletter x Serif Creative Market:

Midnight Bound is a unique typeface that merges blackletter's bold essence with the serif's elegance, crafted for creators aiming to make a strong visual impact. Ideal for logos, editorial pieces, and digital design, this font offers rich detail and a sophisticated style for any standout project.

It comes in Regular weight and is available in OTF, TTF, and WOFF formats. With multilingual support and OpenType features like ligatures and alternates, "Midnight Bound" is accessible across design software, including Adobe tools and Microsoft Word, and includes PUA-encoded characters for easy access without additional software.
