Purple Disco Machine Hypnotized Ableton Remake: A deconstructed Ableton Remake of "Dopamine" by Purple Disco Machine with Eyelid. It was released through Sweat it out Records. HTML0A track has many things to know about drums transitions, Beatmaking, Sub Basses, Synths FX, Song Structure, Vocals, and more of the latest dance music production Elements.

The Template was created to work with Ableton Live(Guitar & Bass, Orchestral StringsPacks required). I utilized the Xfer Serum v1.334 (or higher) and Nicky Romero's Kickstart external VST plugins. Additionally, using Stock FX and Stock Instruments. Dance Style samples for beginners are included with an entire arrangement Beat. Thoroughly mixed and mastered available for you to download and begin playing it!

- Software DAW Ableton Live 10.1.25 or greater (Guitar & Bass, Orchestral StringsPacks required).
- VST plugins: Xfer's serum v1.334 (or up) and Nicky Romero's kickstart VST Plugins that are external to the VST.
- Song Key: E Min
- Time Length: 3:40
- Genre: Dance / Electro Pop
- All Drum samples are included in this project.
