Gaullin Moonlight Ableton Live 9 Remake: Deconstructed in detail Ableton Remake version of Moonlight, a futuristic house track composed by Gaullin made available by Ultra. An excellent track with lots to know about Build-ups and Synths Serum Sub Bass, Drops, Songshape, Automations, and more aspects of contemporary Future House Music Production.

The Template was designed specifically for Ableton Live 9, using the Xfer Serum and Nicky Romero's kickstart sidechain Compression VST plugin. They are using Stock FX, and Stock Instruments, Tech House Style samples for beginners, and an extensive arrangement of Beats are included. Thoroughly mixed and mastered and ready to download and play it!

- Software DAW Ableton Live 9.7.5 Suite or greater.
- VST plugins Xfer's serum version 1.214 or higher and Nicky Romero's Kickstart Vst plugin are required.
- Song Key A# Min
- Time Length 2:51
- Genre Future House
- All Drums Sample forms are included in this project. You can download them here.
- Recommendation: If you encounter any issues with your CPU, We're using a third-generation Intel i7 at around 10 percent. Make sure to utilize Ableton's freezing feature and resampling technique when you're experiencing issues operating the program.
