Renraku ALEPH Neon Grooves (WAV): Aleph comes back to his place in the Renraku catalog to present a selection of reimaged versions of classic old-school rave beats. If you're looking for that 2-step track from 2099 or House Lead drenched in alien chorus, NEON GROOVES has the quality. With sounds that range between 120 and 140 BPM, These one-shots and loops were created to be played with Trap, Wave, Dubstep, Garage, House, and Drill in the mind. Create tracks from scratch with these expertly designed one-shots, or fill in the gap on a track by using FX created to let your ideas pulsate with energy and subtlety.
