Multi Screen Website Promo - AE Project VH-38034717:

Multi-Screen Website Promo is a template that is suitable for demonstrating and advertising features of computers or laptop-tablet applications as well as websites, services as well as user interfaces. The placeholders are ideal for videos, screenshots, and animations of any kind.

The best method to promote your site is using this template! An innovative project to promote the promotional websites or landing pages with a fresh and unique motion design.

Web promo is the continuation of the popular series and is completely designed within After Effects. It is a great way to advertise your brand new app or site! Simply drag a photo of your site into those placeholders on the screen, then change the content and display.

- Adobe After Effects CC 2013...CC 2022 or greater software required
- FullHD (1920x1080) resolution available / 60 fps
- Total duration 0:40 minutes
- 8 unique and original scenes
- 21 media placeholders (photos or videos)
- Universal expression is available. It is possible to use any software that supports languages.
- No plugins are required. 100 percent After Effect
