What is Dimension Cinematic title?

A "Cinematic Title" typically refers to a title sequence or text animation in a video or film that is designed to evoke a cinematic or movie-like quality. Cinematic titles are often used at the beginning of a film, television show, or video to introduce the title or credits in a visually appealing and dramatic manner.

"Dimension" and "Cinematic Title," suggest a title sequence or text animation in a video or film that emphasizes depth or three-dimensionality. In the context of video production, using 3D effects, depth, and creative animations can enhance the visual appeal of cinematic titles.
