Paint with Me – Backlit Forest in Acrylic: In this tutorial, I'll walk you through creating a beautiful, straightforward landscape painting using acrylics. We will focus on developing expressive and loose artwork based on a reference photo I'll provide.

We'll keep things easy to follow, especially for beginners, using a limited palette of four colors. By the end of this video, you'll have a completed artwork that you can proudly display.

If you find this class enjoyable and helpful, I recommend exploring other tutorials in the Paint With Me series.
