**Soundsmiths Hybrid Beats Favela Trap (WAV):** Hybrid Beats is back with its second album Favela Trap! Favela Trap blends with the LA beat scene and an enormous Brazilian funk influence. The cult music has been studied by artists like Sango and Kaytranada and is expected to become the next trending music.

This collection is a blend of 24-bit sexy, sexy vocal chops, Brazilian beatbox rhythms, and raw 808 basslines. high-pitched trap hi-hats, and the twisted effects. Our content is key-tagged and carefully programmed to make it easy for you.

If you're looking for beats that have a sexually unique style, then the sounds of Brazil's hybrid underground electronica scene are exactly the one you're looking for.
