

Podcast Pack (Videohive 32706932) - AE Project

2025-02-10 16:51:18 label 我要反馈 下载页面

The Podcast Pack (Videohive 32706932) - AE Project is a versatile After Effects template offering three distinct intros suitable for various podcast genres.

How to use the neon style for game and podcast for project design in After Effects?

You can use "Podcast Pack" to design your project.

It includes a neon style for gaming and streaming podcasts, a retro style with a vintage microphone ideal for comedy and YouTube shows, and a classic white style suitable for multipurpose podcasts.

Key features include no plug-ins required, easy usability with a video tutorial provided, and color control for customization.

"Podcast Pack" Samples:

Package information

As of the last update on June 18, 2021, this After Effects project, compatible with After Effects CC, includes three media and text placeholders, all supporting universal expressions, and features a resolution of 1920x1080.
