Peter Coulson Photography – Retouching Cristina: Step into our studio and immerse yourself in the creative process as Peter collaborates with model Cristina Garces in a series of captivating shoots. While Peter and Cristina have collaborated previously, this marks their first session together in Peter's studio. The tutorials commence with an insightful interview, followed by a comprehensive showcase of the entire shoot, culminating in three exquisite retouched images.

The downloadable files encompass various stages of the shoot, including preparations, multiple setups, and in-depth retouching sessions. We emphasize that these files are solely intended for personal use to enhance your editing skills, and any distribution or re-uploads are strictly prohibited as per our Terms & Conditions. Explore the intricacies of the shoot, from setup to post-processing, and elevate your editing prowess with this exclusive collection of materials.
