Unreal Engine

Unreal engine - Asian Armour v5.3:

Asian Armour Pack

Experience the rich diversity of Asian battle characters with the Asian Armour Pack, featuring costumes inspired by Chinese, Mongolian, and Samurai fighters.

Product Overview

Character Editor Integration Coming Soon

This product is built upon the UE5 Mannequin and is compatible with Metahuman tal nrw proportions.

Samurai Vol1:

- 5 Chest variations (including 3 base chest armors and 2 NPC chests), totaling 21 SK meshes
- 4 Pants with variations (combined and separate)
- 8 Shoes with variations
- 8 Bracers with mesh variations
- 7 Hats with mesh variations, totaling 21
- Sample tints included

Modular SK Item Groups:

Hats, hairs, heads, and chests are modular, allowing for endless customization options to assemble your own Asian Armour fighter.

Each equipment piece utilizes a master material and a mask texture, enabling detailed visual customization. Additionally, each body part can be manually tweaked for further customization.

Main and off-hand slots are prepared in the Blueprints to receive your data, based on the "UE5 Mannequin Rig" template. Refer to the overview map with Set Masterpose Component for details.
