StudioLinkedVST OvO RnB:

Ovo RnB is a Combinator refill tailored for Propellerhead Reason users, offering a comprehensive collection of your favorite Ovo instruments inspired by the productions of Drake and The Weeknd. This refill features exceptional guitars, pads, keys, and more. While it may not include all the instrument features found in the Kontakt versions, it serves as an excellent alternative for users without Kontakt.

Key Features:

- Over 80 Instruments
- Guitars
- Pads
- Keys
- Bass
- Vox Runs

Format Requirements:

- Reason 3.0 or higher (Required)
