

### Club Promo (Videohive 7883738) - AE Project

2025-02-10 16:46:17   [label](#) [我要反馈](#)   [下载页面](#)

- The title design sequence includes dynamic Equalizer-style backgrounds and a short rhythmic glitch transition. In the end, there is a logo animation.
- This video is ideal for advertising a special event, a nightlife VIP party, or creating a club, club, pub, or disco commercial/tv spot. It can also be used to promote a concert opener or intro, a fashion event celebration, an upcoming party for a new year's eve festival, spring break, or holiday.
- Setup of Project in 2 minutes
- Modular Main Comp timeline allows for easy editing
- Drag and Drop your Footage to render
- After Effects CS5.5+
- Video Tutorial included
- Simple and fast customization
- No plugins required
- The package includes free font links
