Create these amazing effects using your photos in only one or two clicks. This program is designed to help you save the time and effort required for each photo.

Shatter Photoshop Action

My Working Software Version: CS5 English Version. The only requirement is that you have to install the software in English. At the moment, other languages aren't supported.

If you are using an alternative language on Photoshop you can find an easy method to change to English.

Certain Recommendations

To achieve the most effective result from Photoshop Action, and get the best possible result from Photoshop Action, you should utilize solely high-resolution photos. The recommended resolution is 3000px x 300 dpi 3500px, it is the ideal..

The Layers Organization

The greatest benefit of Photoshop Action is that it keeps your layers separated. So you can continue to develop your image swiftly while customizing it to your liking. Every Photoshop Action has its own layers arrangement.
