

Simple infographics smart (Videohive 23714068) - AE Project

2025-02-10 16:43:32 label 我要反馈 下载页面

Significant pack infographics to your company. The size is easy to customize. The job is made suitable for you! Bright graphics are simple to customize. Change the images. Controlled by expressions in and charts and pie graph. It is possible to change the color in the undertaking. All compositions and components for 1:00 minutes. Change the period of the cartoon. What's contained in the job:

Graph 33 Pie graph 6 (turn off or on the desired variety of sections)

Establish a greater chart worth. The chart itself computes the scale. The section must always be less than the maximum significance or qual to the maximum value. The maximum value could be any: 100, 1000, or 6800..... . If the greater value is 100. Segments must be from 0 to 100. If the greater value is 1000. Segments must be from 0 to 1000. If the greater value is 6800. Segments must be from 0 to 6800. In a single click, the percent symbol is switched off and on during the comp. The chart itself computes the most value, medium value, minimum price.
