CS Margot – Blackletter Font Creative Market:

CS Margot is a bold black letter display font inspired by medieval and gothic calligraphy. It combines strong vertical lines and sharp, angular edges with intricate detailing and decorative flourishes, resulting in a font that exudes historical grandeur, sophistication, and authority.

Perfect for projects requiring a vintage aesthetic or a sense of prestige, CS Margot is ideal for luxury branding, formal invitations, and ceremonial designs. Its versatility and detailed artistry make it a timeless choice for evoking elegance and commanding attention.

Font Styles:

- CS Margot Regular
- CS Margot Italic
- CS Margot Reverse Italic

Character Set:

- Uppercase and lowercase letters
- Numerals and punctuation (OpenType Standard)
- Accents for multilingual support

Technical Details:

- PUA Encoding for ease of use
