Halloween Intro (Videohive 40275365) - AE Project

2025-02-10 17:12:44　　label 我要反馈　　下载页面

Halloween Intro (Videohive 40275365) - AE Project: this is a fun, creepy, and possibly terrifying opening for any Halloween event (party or event, etc.). It's straightforward to modify, even for a novice using After Effects. I hope that it is helpful to you.

- Full HD Resolution (1920x1080)
- Fast render time
- Easy to customize the process (Customization Controls Included)
- Video tutorial included
- CC5.5, Compatibility with CC
- Trapcode Shine plug-in required
