This action transforms your photos into a Sketch Portrait-like look. This professional pack will transform your photos into amazing images. It is easy to modify and create a non-destructive effect. This action will give you 10 color options if you open an unviewed eye. It is easy to change the color.

This action was tested on Photoshop English Version CC2020 English Version. Software supported version: CS5.5, CS6, CC2015, CC2015.5, CC2015.5, CC2016, CC2017, CC2018, CC2019, CC2020+ English Version.

The most important instruction is:

(1) Open Photoshop and open the image. For best results, expand the area around your photo. Choose your background image, then use the tools bar to crop it. Then expand each side. You will now need to resize the image. To resize your image, use crop tools. In the top menu bar, you will see W xH x Reso three blank boxes. Type W 3000px. H 3000px. Resolution 72. Next, press the enter button.

(2) Open your image and create a new layer. Next, choose a brush to paint your image. Next, close the "paint layer eye" and continue selecting "paint". Click on the action play button.
