An amazing fun product that gives you a variety of options to create your own cartoon character. You can use it on all kinds of projects like funny t-shirts, funny cards posters, mugs, and more. It's also great to make you smile!

#### HOW It Works

It is possible to alter any aspect of your face - eyelids, chin hairs or mouths, noses, mustaches, earlobes, and glasses, beards.

The files are organized Ai as well as PSD files. Every type of element is been categorized and numbered. Simply click to reveal and select one that you'd like to. 100% vector stuff So you can adjust the size to your desired size without sacrificing quality.

#### Adobe CS version.

If you don't possess Adobe Software, you can utilize PNG individual transparent images to create your image in the software you are using.

There are 650 elements total. You can choose from thousands (more than 2500) options to make your own unique fun face.

Compatible with Adobe Photoshop Adobe Illustrator, Other
