Tinge Texture Photoshop Brushes - Pixelbuddha: The dream world is available to everyone who's fed up with conventional ways of thinking. Break out of the norm in digital illustration now that you've got this fantastic tool to experiment with an entire selection of Photoshop brushes ready to create a world of texturing!

You can find pencils, charcoal crayons, and paper albums to take with you on a thrilling artistic adventure. Your art-y-craftsy drawings will become more personal and vibrant when you use the magic wand loaded with twenty Photoshop brushes. They are designed to imitate traditional drawing tools. When finished with seven paper and seven paper textures, they transform into a tiny universe where you can draw your most imaginative fantasies, creatures, and other worlds onto the paper.
