What is Subtle Art of the Sauce by Shortstache?

a color-grading mini-course created by Garrett King (Shortstache) that focuses on using a set of 5 LUTs (Look-Up Tables) designed to enhance and stylize video footage for various film production needs. Here's a breakdown of the key points:

- **Color-Grading Mini-Course:** "The Subtle Art of the Sauce" is designed as a mini-course, which likely includes tutorials and guidance on how to effectively use the provided LUTs for color grading.
- **5 Custom LUTs:** The course features a set of 5 custom LUTs. LUTs are used in video post-production to apply specific color and tone adjustments to footage, allowing for consistent and visually appealing looks. These LUTs are tailored to various types of content, such as weddings, lifestyle footage, drone footage, and more.
