Polina Washington – PW Daily Pack – LR Presets: The DAILY PACK is a set of presets I made for myself to use daily. I often shoot and keep a journal, and I must analyze what I capture quickly and with a variety. I love bright and vivid colors, and that's precisely the experience I've attempted to convey in this new collection.

- The presets can be used for all shots you want, not only "everyday" ones.
- For Lightroom Desktop and Lightroom Mobile.
