CS Damon Drawn Creative Market - 289515152:

CS Damon Drawn is a condensed serif font that blends vintage design influences with a modern, creative edge. Its slim, compact letterforms convey strength and clarity, while the hand-drawn details add warmth and an organic touch.

This font combines nostalgia with contemporary style, making it ideal for bold headlines, branding, and creative projects that require a balance of retro charm and modern flair. Its efficient design allows for maximum space usage without sacrificing legibility, giving it a unique personality perfect for standout visuals.

- CS Damon Drawn Regular and CS Damon Drawn Italic styles
- Uppercase and lowercase characters
- Numerals and punctuation (OpenType Standard)
- Accents supporting multilingual characters
- PUA encoding for easy accessibility of special characters
