Looptone GROOV Tech House (WAV): Explore the diverse spectrum of House styles with 'GROOV Tech House' by Looptone, spanning Deep and Minimal to Nu Disco and Jackin. This pack offers six dynamic groove Construction Kits alongside an array of additional loops.

Drawing inspiration from influential labels like MDE, Toolroom, Dirty Bird, and Prok & Fitch, each Construction Kit at 125 BPM provides all the stemmed elements—drum, bass, lead, vocal, and more—needed to craft six distinct yet equally infectious Tech-influenced grooves. With a comprehensive 16-bar structure encompassing the build, drop, and main groove, alongside the full bounced mix for reference, you have the flexibility to remix the original track or integrate individual loops into your projects.

Beyond the Construction Kits, discover 81 additional stemmed beats, 10 high-energy basslines, 20 mix-enhancing FX, and 10 razor-sharp G-House-style vocals.
