#### Retro 3d Headphones Podcast Intro (VH 54573788) - AE Project:

The Retro Headphones Opener is an After Effects template featuring a cool, 3D retro headphones design, perfect for creating intros, outros, or standalone segments for shows, podcasts, or music events. It's user-friendly and ideal for beginners, offering a unique, atmospheric opener to enhance your brand.

This is a customizable After Effects template designed for easy logo and text integration. It features 1 logo placeholder, 4 editable text layers, and supports 4K resolution (3840x2160) with a duration of 22 seconds. The template offers easy color control and works without requiring additional plugins. It is compatible with After Effects CC 2019 and later, with universalized expressions for any AE language. Included are font links, a video help file, and a comprehensive PDF guide. Users can quickly personalize it by adding their logo, editing text, and adjusting colors and fonts.
