- **FIERCES:** The clearly on-the-point and competitive nature of the library keeps you on top of the match. If it comes down to this, nailing these crucial, climactic minutes and electricity fantasies is exactly what your crowd came for.
- **GRAND:** Getting gone out of the way to capture the very fascinating nautical reactions, the consequent selection of noises is as remarkable in scale since it's in variety.
- **MAGICAL:** Our suggestion: Jump throughout the library and listen to individual sounds by themselves. Watch them come alive visually until your inner eye and become motivated towards your very own unique creations!

MAGIC - ARCANES FORCES CONSTRUCTION KIT

ARCANE TOOLKIT

MAGIC -- ARCANES FORCES Building Kit not only gives you over 11GB of immaculate origin records to construct deep, complicated, and iconic magical sounds; it also pushes the bounds in regards to employing pressure, movement, and bodily morphing to recorded audio sources.

Add into this a range of processed, forceful sounds in addition to otherworldly sweeteners and you'll be producing top-range sounds for battle magic action scenes, magic generally and even other dream or sci-fi genres easily.

MAGIC - ARCANES FORCES DESIGNED

SUPERNATURAL DOMINATION

Envision a ferocious duel between 2 archmages on the summit of a thundering mountain, exchanging constant blows conjured from thin air while the world around them collapses in a battle of blazing fire, deadly ice hockey, and unleashed energy.

That is what MAGIC -- ARCANES FORCES Made sounds like.
