**Greater Than Gatsby – Fleetwood A.I. Presets:** Introducing the Fleetwood Collection, the Lightroom sister-set to the bestselling Bohemian Rhapsody Actions. This comprehensive workflow empowers you to layer presets and customize effects, enabling you to vividly narrate your client's story with stunning and dramatic colors. Notably groundbreaking, this collection integrates Adaptive A.I. Technology, co-designed with Shannon McTighe Photography, to capture her free-spirited style and unconventional editing approach. Immerse yourself in bold colors, warm earthy tones, and textures that evoke a robust emotional response.
