Peyton Byford – Tuscany collection: Experience the timeless charm with a touch of editorial finesse in our Tuscany Collection presets. Perfect for achieving soft skin tones and true-to-color warmth, these presets deliver clean, warm images adaptable to various lighting scenarios.

- PRESET 1: Classic Warmth, The foundation of the collection, striking a balance between beautiful warmth and preserving the original colors. Expect true whites, soft skin tones, more excellent shadows, greens, and vibrant tones.
- PRESET 2: Bold Contrast is a modified version of Preset 1, ideal for situations with naturally high contrast and bold lighting. Starting with a cleaner, toned-down preset maintains the editorial feel without extensive adjustments.
- PRESET 3: Cool Filmly Twist Inject a relaxed, filmy feel into your images with this preset. Play with grain levels for a clean film look, or add a touch for extra character.
- PRESET 4: Filmier Black and White: A timeless black and white preset adjusted to exude a filmier feel. Experiment with the black-and-white modifiers for your preferred cinematic look.

COLOR MODIFIERS

- TONING | COOL: Versatile modifiers to cool down images, enhancing bright whites and more excellent shadows while retaining warm skin tones.
- TONING | WARM +: Taking warmth to the next level, infusing golden tones perfect for sunset shots that demand a dominant warm presence.
- TONING | WARM: Adds a subtle warmth to shadows and highlights, giving whites a creamier touch and intensifying golden hues when desired.
- COOL GREENS: Transform the color of greens with a single click, providing a different feel or toning them down when needed.

BRUSHES

- SKIN DE-RED: A go-to for correcting dark and red tones in skin, ensuring even skin tones and clear visibility.
- GOLDEN SUNSET: Amplify the sunset and surroundings with this brush, creating a stunning golden hour glow for vibrant and bold colors.
