Love is in the Air - Hand Drawn Pack - A versatile Premiere Pro template that features cute and funny elements you can use in your videos. This amazing collection includes 10 titles, 3 transitions, and 2 overlays as well as 11 animations. There are 26 total items in this collection. These are so simple to use and can be easily styled to match your brand's colors with full-color control. This is a great way to improve the look of your Valentine's Day video, wedding day video, or save the date announcement. It also makes it easy to create romantic slideshows, anniversary videos, promos, and commercials. This sweet, creatively animated PP template will impress your audience. No plugins required.
