VFX Fire Elements for After Effects VH-51546933: Presenting "VFX Fire Elements" – an impressive assortment of lifelike fire and flame overlays to enhance your videos and animations. Elevate the visual impact of your projects with these dynamic fire explosions. Tailor the intensity of the effect effortlessly using the colour controllers, allowing you to craft anything from gentle embers to blazing infernos with precision. Enjoy the benefits of 4K resolution, customizable colours, and convenient effect controls. A helpful guide file is included for seamless integration. Compatible with After Effects 2021 and above, these fire elements provide unparalleled realism and versatility to your creative endeavours.
