Unity Assets - Realistic Meadow 2022 - Ground Vegetation v2022.0.1

2025-02-10 16:57:41　　label 我要反馈　　下载页面

The Unity Assets - Realistic Meadow collection offers meticulously crafted photo-scanned vegetation assets tailored for next-gen scenes.

With 74 prefabs including grass, flowers, and plants, each with multiple variants and LODs, it ensures both detailed realism up close and optimized performance from a distance.

"Unity Assets - Realistic Meadow" Samples:

Featuring 2K textures and a packed Mask Map, these assets are designed for mid to high-end PCs and consoles, supporting platforms like PlayStation, Xbox, and Nintendo Switch. However, they are not compatible with mobile or low-end PCs. Technical specifications include support for VR, Forward, and Deferred rendering, with the exception of Raytracing in HDRP.
