**Amazing Lines: Symmetry in Motion with Procreate:** We've all come to appreciate Procreate for sketching, digital illustration, and drawing. Furthermore, you may not realize how simple it is to create beautiful designs very easily! In this course, you'll discover how to use symmetry to make patterns, images, and graphic elements more efficiently! I've used them to design logos, backgrounds graphic elements to accompany different artwork or for separate items. It's an excellent method to unwind, be innovative, enjoy yourself, and create fantastic line art!
