Banner Widget Countdown Timers (Videohive 42818939)

2025-02-10 17:15:29　　label 我要反馈　　下载页面

Banner Widget Countdown Timers (Videohive 42818939): The Premiere Pro template for setting countdown timers has widgets that look like banners. Use them to countdown sales player interface for sports waiting for time start of events, visual loading, or music player to your videos.

It is simple to use, as you can drag and drop it into your design and set the duration. With the advanced effects panel, you can alter any element, and you can alter the color, size, roundness, and more. Also, you can reverse time.

It is possible to use any format to describe timing: Hours, minutes, milliseconds, seconds, and even mix these.
