Cinecom - Ultimate Blockbuster LUT Pack:

Introducing the Ultimate Blockbuster LUT Pack: a curated collection of 20 premium LUTs designed for both LOG and REC709 color profiles.

Each LUT in this pack is meticulously crafted to replicate the distinct color grading of iconic films and series.

From the gritty realism of "No Country for Old Men" to the vibrant worlds of "Guardians of the Galaxy Vol. 3" and the haunting atmosphere of "Stranger Things," users can instantly apply these cinematic looks to their projects.

Whether you're aiming for the epic scale of "1917" or the stylized visuals of "Sin City," this pack provides a versatile toolset for achieving professional-grade color grading inspired by your favorite movies and shows.
