Fresh Holiday Slideshow for Premiere Pro VH-52730234:

This 3D photo slideshow template for Premiere Pro features 16 scenes with a total of 112 media placeholders.

It's ideal for various projects such as weddings, YouTube promos, travel openers, business presentations, or summer holiday slideshows.

The template is easy to use—simply add your images, edit the text, and render.

It includes light leaks and particles without pre-renders, supports 4K and HD resolutions, requires no plugins, and is well-organized.
