**Premiere Pro** template to create a fashion-themed event promotion or a business forum introduction or a corporate conference opening. Make use of it to promote an event, workshop, seminar, or meetup, and to announce the program as well as speakers, partners and tickets, as well as to invite participants and sponsors.

Colorful, vibrant, and positive atmosphere This template is alive with energy and vitality. It comes with all the required elements for successful event promotion. It's a modular layout that allows you to alter the sequence of the videos as well as the length of the video. In order to motivate and encourage attendees, this template allows you to make the process quick and simple.

Display your designs including speakers, calendar, and ticketing system Registration, booking, as well as other activities for your event. It is very easy to use and adaptable in its use. It is a great template to use on a variety of topics. Choose your colors using Color Control and the speed for the video, then add your text, and then add your logo music and font and you'll have a video using your own ideas and style.

**Project includes:**

- Modular structure
- 4K
- Fast render
- 100 % Premiere Pro
- Premiere Pro CC 2021 and above
- No plugins required
