Coloso – Jaehoon Choi – Expressing Key Elements for Creative Graphic Design (English Sub): Embark on a journey to master the art of creating distinct and captivating design languages with designer Jaehoon Choi.

Have you ever desired to showcase visually striking and instantly recognizable graphic designs across platforms and projects? With Jaehoon Choi's guidance, you'll learn to cultivate a unique design style rooted in the core principles of design, allowing you to wield a fluid design language with versatility and make your mark anywhere.

- **Insight into Key Element Composition for Each Project and Adaptable Design Approaches:** Learn to compose key design elements tailored to various graphic design scenarios, from posters to diverse applications, and develop the central concept effectively.
- **Case Studies to Help You Build a Distinct Design Language:** Define and refine a creative and distinct design style and language through comprehensive case studies spanning six projects.
- **Creating Consistency between Different Applications with Design Systems:** Master the fundamental approach to creating cohesive design styles and engage in hands-on exercises to apply these techniques effectively.
- **Appropriate Design Approaches for Each Project and Situation:** Tailor your designs for different projects using reference searches, appropriate design languages, and approaches.
- **Types of Typefaces and Typography Stylizing:** Explore various typefaces, understand typography fundamentals, and learn to organize compositions effectively.
- **Design Composition Using Graphic Elements, Color, and Layout:** Harness the power of graphic elements, colour, and layout to create impactful designs with flexibility.
- **Experimental Approaches for Typeface Creation:** Dive into the world of custom typefaces by infusing object characteristics into specific shapes.
- **Information and Concept Visualization into Graphic Elements:** Learn to extract keywords and concepts from object information and transform them into visually appealing graphic images.
- **Creating Consistency in Concepts for Diverse Applications:** Apply graphic assets to various applications using the graphic elements developed during hands-on exercises.

Join us on this transformative journey and elevate your graphic design skills to new heights with Jaehoon Choi's expertise.
